

**THE SOUTHERN GUAM SOIL AND WATER CONSERVATION DISTRICT  
SOLICITS APPLICATIONS TO ESTABLISH A LIST OF ELIGIBLES FOR THE  
FOLLOWING LIMITED TERM APPOINTMENT (SUBJECT TO THE  
AVAILABILITY OF FUNDS):**

**Position Title:** Resource Technician

**Classification:** Part-Time Position

**Salary:** Grade: E, Step 1–6 (\$12.37–\$14.90/hr based on UOG pay scale)

**Benefits:** Social Security

**Status:** Non-supervisory

**Location:** Southern Guam Soil and Water Conservation District, Mangilao, Guam

**Position Summary**

The Southern Guam Soil & Water Conservation District is seeking a motivated and dependable Resource Technician to support conservation work across southern Guam, with a focus on the Southern District Feral Swine Program. The Resource Technician provides entry-level field and technical support to SGSWCD. Duties include assisting with site visits, collecting basic field data, setting up pig trap equipment, coordinating with landowners, and supporting the implementation of conservation activities that help protect farms, watersheds, and cultural resources from feral swine impacts.

**Minimum Qualifications**

- High school diploma or equivalent
- Ability to conduct outdoor fieldwork in varying conditions
- Valid driver's license and reliable transportation
- Valid Firearms Identification

**Preferred Qualifications**

- Experience in agriculture, landscaping, construction, or natural resources
- Familiarity with tools, equipment, or GPS devices
- Interest in conservation training or career pathways

**Key Responsibilities**

- Assist with site visits and fieldwork under the Southern District Feral Swine Program
- Set up, deploy, and assist with the maintenance of feral swine trap equipment, including nets, gates, cameras, bait sites, and safety components
- Support landowner coordination and documentation
- Collect GPS points, photographs, and basic field notes
- Maintain program records and assist with simple report preparation
- Provide general field and office support to SGSWCD and NRCS staff
- Help maintain tools, supplies, and field equipment

**Working Conditions**

- Primarily field-based with frequent outdoor work in heat, rain, mud, and uneven terrain
- Some basic office work for data entry and record-keeping
- Local travel required; occasional evenings or weekends for producer meetings

**How to Apply**

Please submit the following:

- Resume with contact information for two references
- Short statement of interest (1–2 paragraphs)

Send applications to: [sgswcd.hr@gmail.com](mailto:sgswcd.hr@gmail.com)

Applications will be reviewed on a rolling basis until the position is filled.
